

PROJECT PROGRESS REPORT

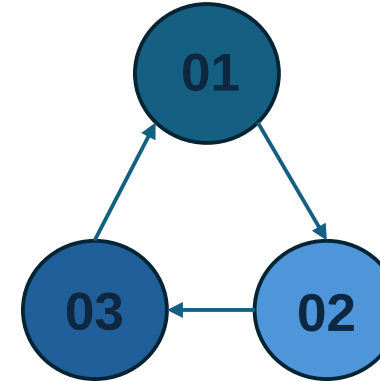

Impact of Social Media on Mental Health

Project is progressing

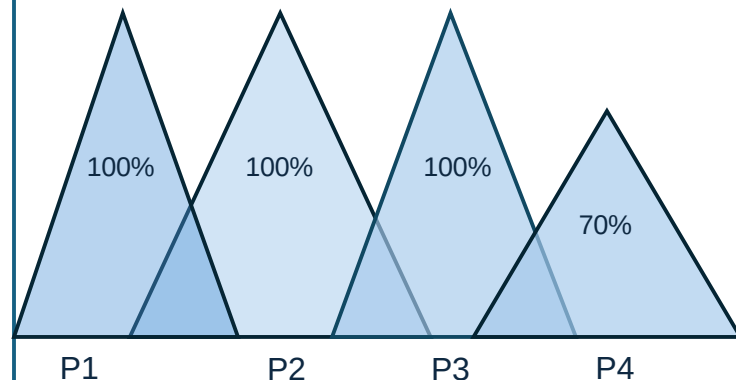

- ✓ Dataset Collection Completed
- ✓ Data Cleaning Completed
- ✓ Project Documentation Completed
- Presentation Prepared
- Analysis Phase Ongoing

Our Process

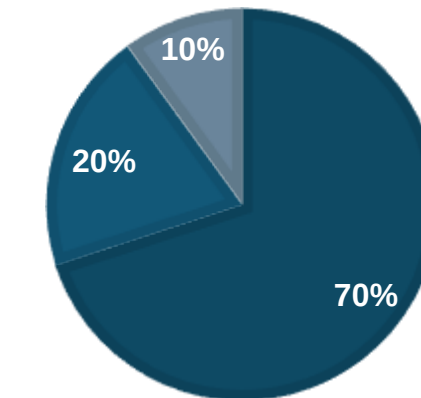

- **01 Project Planning**
 - Team formation
 - Topic finalization
 - Task allocation
- **02 Dataset Preparation**
 - Data collection
 - Data cleaning
 - Data preprocessing
- **03 Analysis & Reporting**
 - Data visualization
 - Pattern identification
 - GitHub updates

Project Milestones

- P1 – Planning
Project topic finalized and team responsibilities assigned.
- P2 – Data Collection
Dataset collected and organized for analysis.
- P3 – Data Cleaning
Data cleaned and prepared for further processing.
- P4 – Analysis & Visualization
Analysis, visualization, and pattern finding currently in progress.

Project Completion

- Completed Tasks → 70%
- Ongoing Activities → 20%
- Remaining Tasks → 10%

- Completed Tasks → **70%**
- Ongoing Activities → **20%**
- Remaining Tasks → **10%**

KEY ACHIEVEMENTS

- ✓ Successfully collected and prepared the dataset
- ✓ Completed data cleaning and preprocessing
- ✓ Defined project objectives and workflow
- ✓ Developed project presentation and documentation
- ✓ Initiated exploratory data analysis
